Beauty

Beauty is the external proof of health; with failing health comes failing beauty. Woman's delicate organism is frequently over-taxed by arduous household duties, and the demands of society. The constant drain upon her vitality weakens her nervous system. The penalty is a tired, wornout, exhausted condition which destroys her appetite, robs her of rest, and at intervals causes much suffering and distress. When these conditions exist, the weakened nerves must be strengthened. Dr.Miles'Nervine will do this. It stimulates the action of all the organs, brings refreshing sleep, and drives away that look of care.

'I have taken Dr. Miles' Restorative Nervine for years, as did my mother before me. Whenever I feel tired worn-out, or have headache, I always take the Nervine and it strengthens me. I consider it a great remedy for nervousness or debility."

MRS. C. L. FREDERICK, Canton, Ohio.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it falls, he refund your money.
